

# BERRYHILL PUBLIC SCHOOLS

## Native American Indian Education

Our goal at Berryhill Public Schools is to ensure all Native American students have a quality education experience. We want every family to understand how to navigate the resources available to students.

The Berryhill Indian Education Program goals are:

- Enhance problem solving and cognitive skills development and directly support attainment of State standards
  - Increase school attendance rate
  - Increase academic achievement
    - Increase graduation rate
- Increase student participation in STEM activities

**\*Tutoring available Tuesdays and Thursdays from 7-7:30am and 3-3:30pm\***

### Did you know?

- One out of every 100 Americans is an Indian.
- Over 62% of food the world eats today was originally developed by American Indians.
- A far greater percentage of Indian people per capita serve in the US Military than any other race or ethnic group.
- Even though they were not citizens, over 8,000 Native Americans served during WWI.
